SECOND PRELIMINARY AMENDMENT

Assistant Commissioner of Patents
Washington, D.C. 20231

Sir:

Prior to examination, kindly amend the application as follows:

IN THE SPECIFICATION:

Please replace the paragraph beginning at page 5, line 19, with the following rewritten paragraph:

--After medication with sildenafil (50 mg/week, each in a single administration of the entire week's dosage), a lasting improvement of symptomatic pain was achieved in the course of the following three months. Objectifiable diagnostic data were improved as well. --

R E M A R K S

The correction at page 5, last paragraph is needed because of the inadvertent typographical mistake made in translating from the German into English.
